

Free Payment Processing offer with Stripe to Cyberport Start-ups

Get HK\$250,000 in free processing volume when you process with Stripe Hong Kong.

With Stripe, you can instantly start accepting payments via Alipay, WeChat Pay, Visa, MasterCard, American Express, Apple Pay, Android Pay, and Samsung Pay. It also support settlement to HK-based HKD and USD bank accounts.

If you are running a marketplace, Stripe can help automate your identity verification and payouts using Stripe Connect APIs. Stripe can also help manage online fraud with our machine-learning and rules-based fraud management tool, Stripe Radar. Get in touch to learn more!

Note: the free processing discount only applies to companies that have not previously received a free processing discount from Stripe.

Special instructions to redeem:

With “Cyberport” in the subject line, email support+hk@stripe.com requesting for free processing. Stripe will get back to you on how to redeem your discounts.
