#### **About Hong Kong General Chamber of Commerce (HKGCC)**

*Celebrating its 155<sup>th</sup> Anniversary this year, HKGCC is one of the largest and most influential international chamber in Hong Kong. Our members represent a wide spectrum of local, Mainland Chinese and international businesses. More than half of the flagship corporations listed on the Hang Seng Index are our members. Combined, our membership, from renowned multinationals to thriving SMEs, employ around one third of the local workforce. The Chamber serves as the voice of business, and we help our members succeed through our core functions: advocacy, knowledge-based events, networking, and a variety of business documentation*
